J.B. Hunt Bussing Subsidy

The J.B. Hunt Transportation Inc. Bussing Subsidy helps schools attend Walton Arts Center events by supporting a portion of bussing costs. The amount awarded is based on each school's partnership level (Arts Partner or 100%), distance from the venue and how many students participate. Subsidy payments calculated in May, are paid to qualifying schools by August 30 of the following academic year.

Educational Performance Policies and Procedures

Registration Instructions

Fill out the registration form completely, providing all contact information. Please adhere to our grade level recommendations for each performance. Incomplete registration forms will not be processed. All registrations are processed in the order in which they are received. Due to high volume early in our season, confirmations will take an average of two weeks to be sent. Walton Arts Center cannot be held responsible for illegible faxes or correspondence lost in the mail. Verification emails will be sent at the end of the day.

Home school contact is responsible for all correspondence with group members regarding group name, additional tickets and school group policies.

Payments and Invoices

Payments are due four weeks prior to the performance date. If the payment will not reach us four weeks prior to the performance, please fill out a **Payment Agreement Form**. Because of the growing number of schools participating in our educational programs we reach capacity for many performances throughout the year. Please note that payment is due for all seats reserved. To adjust your ticket numbers, use the **Change Request Form**.

Day of Performance Information

Performances last for approximately one hour, unless otherwise noted. Please make every effort to arrive at WAC 30 minutes prior to the performance start time. All performances will begin at the scheduled time to ensure students return to school as planned. Performance reminders are mailed approximately two weeks before your performance. Reminder includes the number of seats reserved, the date and time of the performance. If any information does not match your records, please notify the Schools Coordinator as soon as possible.

Groups will be seated by busload in order of arrival. WAC staff will greet your bus and guide you through the check-in process. All seating is general admission, and at the discretion of the House Management.

Parent Tickets School groups receive one complimentary adult ticket per every ten student tickets to accommodate teachers, parents and other adult chaperones. We regret that additional parent tickets are unavailable.

Request Forms

All forms are available on our website: www.waltonartscenter.org/school-series.

Lunch Request Form is used to request a space for your group to eat lunch on our campus. *Please keep in mind that we cannot guarantee that a space is available.*

Interpreter Request Form is used to request an interpreter for a patron in your group.

Change Request Form is used to adjust your reservation number, add or cancel your reservation, if needed.
