### Bio

I am a retired marketing manager/graphic designer, and have been creating original art since 2016. A NWA resident since 1994, I live in South Fayetteville. I am a member of Fenix Gallery, ANA Gallery, and the Art Gallery at the Mall. I have been featured on Crystal Bridges with a how-to video, and exhibited in several local galleries, coffee shops and brew pubs.

### Artist Statement

I work in color pencil, and it's all about clear, intense color. I receive inspiration from photographs and phrases/words. My pencils are often drawn to the humorous side.
