**Brian Meyer**

@brianmeyerartandsuch

**Bio**

Brian is primarily a plein air painter and has spent the last few years traveling the country working as a land surveyor. He spends his time away from work exploring and painting the American landscape. Recently, he has been able to spend more time in his home state of Arkansas and it is his goal to produce works that do the natural beauty of the area justice

**Artist Statement**

In the right light, everything is beautiful.
