## **Scott Carroll**

### **Bio**

Scott Carroll is a sculptor who works in many mediums and disciplines. He has exhibited his work in galleries across the United States and appears in collections and also in museums.

Though he grew up and lived in many different states , he has lived in Northwest Arkansas for the past 25 years.

### **Artist Statement**

The natural world has always been my strongest influence . And like a poet looks at nature and distills it into words, I try to do the same with my artwork.
