Bio

Valerie is an author, artist, playwright, and has expressed her inner voice of conscience and humor over 50 years. The BFA, teaching degree Hallmark artist left corporate America in 1973 and founded Star Publications with her husband Dave. They created children's books, teacher's guides and related products that made a difference while raising three children. 'I created the Fleekers, a bird family in my first book, GRINDLE LAMFOON AND THE PROCURNIIOUS FLEEKERS."She produced her elaborately illustrated, high fantasy children's book, WILLO MANCIFOOT as a musical premiering in 2018 in Eureka Springs.

Artist Statement

"I create to express, laugh, empower, and to initiate positive social change."
