Clarence Burgess

<https://www.lifestylesinc.org/>

Bio

Clarence is a Northwest Arkansas resident artist based at Life Styles Inc, a non-profit supporting individuals with intellectual disability through fine art.

Clarence recently retired from working at the Fayetteville Public Library for nearly a decade, and enjoys spending time appreciating the visual arts in its many forms.

Artist Statement

I keep thinking about it everytime I draw. It wasn't hard but it felt good creating. I like drawing characters, because I like to document what I see.
