Carol Cooper

Bio
Carol Cooper has conducted watercolor workshops locally, nationally and abroad. She recently retired from NorthWest Arkansas Community College where she taught art for 32 years. She has participated in over 55 solo and group art exhibitions including Watercolor USA and MOAK at Springfield Art Museum, and Crystal Bridges at the Massey. She lives in scenic northwest Arkansas in Rogers.

Artist Statement
Nature is one of my favorite subjects to explore. I am provided a constant source of beauty and healing. I enjoy working in a variety of styles—from interpretive realism to abstraction. We all bring our own meaning to a work of art. I can only hope that my work speaks to you of joy, whimsy, peace, and strength.
