Bio

Nick is a Northwest Arkansas resident artist based at Life Styles Inc, a non-profit supporting individuals with intellectual disability through fine art.

When Nick is not painting, he enjoys hanging out with his friends, working on long-term building projects with his family, and engage in outdoor activities such as hiking and admiring the trails in the area.

Artist Statement

"Portraiture is my favorite genre. It has taught me how to become a better observer and increased accuracy in my work. I thought it was really cool painting my classmate Sean. I learned quite a bit about the different lines and shades of the picture. I hope to continue creating similar works in the future for the public to see"
