Bio

After studying a multitude of art courses, from interior design to graphic design and most things in between, I graduated with a Bachelor of Arts degree in 2003 from the University of Arkansas at Little Rock. Since then, I have been growing and experiencing the many heartaches and joys that come with life, which have practically pushed me towards creating more and more art. My faith and my art are deeply intertwined and one does not lead without the other. Both are sustaining, uplifting and purpose giving and I can not imagine my life without them.

Artist Statement

It is my hope that this art can be as much of an enrichment to you as it is to me. All the glory to my God, the author of creativity.
