

## **Take A Seat Application and Ticket Request Form 2017-2018 Season Performances**

Because of the commitment and generosity of our sponsors and donors, Walton Arts Center is pleased to announce the tenth season of the **Take A Seat** program. Take A Seat invites students, seniors, children and families who could not otherwise afford to attend Walton Arts Center performances to experience the arts at no cost.

Working with area non-profit organizations, the program provides free tickets to Walton Arts Center performances. With shows ranging from jazz to theater to dance, we hope you will find something that your clients will enjoy!

<b>Name of Organization:</b>

<b>Description of Your Organization's Activities</b>	
<b>Description of Individuals Served by Your Organization and Number Served Annually</b>	

## How does Take A Seat work?

The shows to choose from on this application are split into two charts, November-February and March-June. Participating organizations are asked to request tickets from the list based on the interest and preference of the individuals they serve. For each show in which there is interest, please indicate how many tickets you'd like and rank your top three. Feel free to look at the show section on the Walton Arts Center website for more detailed information about the performances offered. Please make sure to note if you have any kind of special seating request, and we will try to accommodate you the best we can.

**Please note** that while all performances that are marked with "10x10" are great for families with older children (5+), most require long stretches of sitting quietly and are not designed for young children. Jazz and dance performances are intended for older audiences as well and thus would not be appropriate for children under the age of 10. Also, we invite you to join us for the free pre-show Creative Conversation with the artists one hour before any of the 10x10 performances. Please encourage your clients to take part in this special experience!

Patrons will be given priority seating based on the order in which we receive the requests and the availability of seats for the performance. **30 days prior to the performance, you will be contacted by our Take A Seat representative with confirmation of your ticket request.**

**On the day of the show**, all tickets will be left at Will Call for your group leader to pick up and distribute to the group before the performance; any tickets left at Will Call 15 minutes prior to the show's start will be subject to redistribution to the general public, if the show is near or at capacity. If for any reason your group will not be able to attend or your number of tickets needs changing, please contact us so we can update your order.

**Performances October 2017-May 2018**
