Barbara Batson

Bio

Barbara grew up in Hot Springs, AR and has called Fayetteville home for 34 years. An adult education professional, Barbara's love of photography began about 20 years ago. She particularly loves nature photography and enjoys the God-created beauty of Northwest Arkansas. Barbara is married, has two grown children and three grandchildren.

Artist Statement

These photos represent my love of nature and the beauty of Fayetteville. All seasons are amazing; these photos were captured summer 2021 as my puppy and I enjoyed a nature/nurture neighborhood walk.
